

T.S. Royalist

Day 1:-

On Saturday, I first had a look to find T.S. Royalist. I thought Pelican of London was T.S. Royalist because it looked old and big but the Royalist was smaller and more modern. When we went onto the vessel, the sailing master spoke to us about what we were going to do through out the week. We got told to go down the stairs and we got a task book ~~and~~ to fill during the week; we also got a captain saying "T.S. ROYALIST S.C.O.E.". We got told

dinner; It was shepards pie. Then we got ready for bed and went into our bunks. We talked for about 5/10 mins to get to know each other. We we to sleep after.

Day 2 :-

We woke up at 6:30am and had breakfast; I had toast. We brushed our teeth after having breakfast. We got dressed into our uniform first though. We got given our station cards which is our; bracing stations, sail setting, sail handling and mess man. My Bracing Station was main top gallant brace & fore ~~top~~

We had to try make a circle without letting go. WE WON! We had shore leave which is where we could go outside for a certain time. We went back on shore and put our pjamas on and we got a bed time story; it was a mix up of Rhole doable poems. We all fell asleep after in our bunks.

Day 3:-

We woke up at 6:30 to clean the upper deck / lower deck. The duty messman for Monday prepared the tabel for breakfast. We all went

We had dinner then
had shore leave again.
After we got dressed
for bed and watched
a film for a bit then
had lights out.

Day 4: - We woke up
at 6:30 and put our
uniform on then we
had breakfast; forward watch
first then aft watch.
We did our stations
all day again then
had lunch the our stations
for a bit then we ~~finished~~
~~had~~ had time to
do our fast books we
had dinner in watches
then we had more
shore leave then had a
night story and had bed

Day 6: - ~~then we had~~
we woke up at 7:00
then had breakfast
and made our way
to Gosport we spent
awhile going there
we had ~~the~~ lunch
then we were half
way near Gosport so
we used the engine for
some of it when we
arrived we had dinner
and packed for the next
day after we packed
we tied up the whole ship
because we had visitors
come to look around.
we had a chance to
go on Jack Petchey which
was a power boat
the six of the boat

and we went back
to the unit and
got the car back home.
